\*Certified organic by Ecocert Canada

**SOOTHE, MOISTURIZE AND PROTECT YOUR LIPS WITH ONE OF THESE GREAT ORGANIC LIP BALMS.**

Our lip balms are made from certified organic oils of premium quality. In addition to the oils for maximum hydration, we have added shea butter and ingredients carefully chosen for each of our lip balms in order to increase their therapeutic value. Among these ingredients, we use plant extracts, macerated flower oils, essential oils, vitamin E, etc... Our lip balms are distinguished by their penetrating and lasting moisturizing effect and by their great and delicate taste. Try them, you will feel the difference!

**Cold Sore Lip Balm**

In addition to be moisturizing, healing and emollient for the lips, this balm contains plant extracts, essential oils and a homeopathic remedy effective in relieving "cold sores". It can be used in the prevention or curative way when the cold sore starts to appear.

**DIRECTIONS FOR USE**

Apply to lips as needed.

- Avoid using in case of known allergy to above ingredients.
