SOOTHE, MOISTURIZE AND PROTECT YOUR LIPS WITH ONE OF THESE GREAT ORGANIC LIP BALMS.

Our lip balms are made from certified organic oils of premium quality. In addition to the oils for maximum hydration, we have added shea butter and ingredients carefully chosen for each of our lip balms in order to increase their therapeutic value. Among these ingredients, we use plant extracts, macerated flower oils, essential oils, vitamin E, etc... Our lip balms are distinguished by their penetrating and lasting moisturizing effect and by their great and delicate taste. Try them, you will feel the difference!

DIRECTIONS FOR USE

Apply to lips as needed.

- Avoid using in case of known allergy to above ingredients.
