

Anti-wrinkle dermo-smoothing cream for men

is specifically formulated for the delicate and fragile eye area. It combats the appearance of wrinkles and expression lines, bags, dark shadows as it significantly tones, moisturizes and elasticizes the skin.

Main ingredients: Spa water, liposomes containing escin, azulene, ginkgo biloba extract, cucumber juice, aloe vera gel, carrageenan from Iceland moss, avocado oil, jojoba oil, coconut oil, sweet almond oil, shea butter and vegetal glycerin.

Directions: Apply the cream morning and evening and gently pat around the eye area with the fingertips blending from inwards to outwards until completely absorbed. Use also on the lip contour by applying the cream from the centre outwards both on the upper and lower areas.

- Dermatologist tested
- Free of colorants and parabens (synthetic preservatives)
- No phthalates
